THE VISION AND MISSION OF THE COLLEGE

- To transform into action the concept of "man making education".
- To impart quality education among the rural students by inculcating the moral and esthetic aspect of education.
- To extend every possible assistance to students belonging to the non creamy layer to get them established in the prevailing extremely competitive society.
- To fight against discrimination based on gender, language and religion and help establishing a harmonious and enlightened society of mutual co existence.
- To help its students to discover and tap their dormant potential to become properly integrated personalities who will emerge as responsible citizen of the country.
- To enhance Technological support in the teaching-learning process to facilitate students to cope up with the increasing demand of IT.
- To facilitate rural female learners to have access to higher quality education.
- To develop scientific thinking (scientific temper) among the teachers and students.

To convert gradually the manual system of activities especially the administrative and library services to a completely automated environment to ensure smooth and faster rendering of these services,

Address from the G. B. President

Since time immemorial education has been considered a major force for social change. Sing the wrongs of our society. With a view to providing quality education to the learners of the greater Sonai area, M.C. Das College came into existence in 1972. Since then the college has been relentlessly striving to educate students from all walks of life irrespective of their social status high or low, rich or poor and instill in them the lesson of truthfulness, self-reliance and self-dignity the qualities indispensable for bringing about a positive social change. It is immensely delighting to pronounce in this context that the College was assessed by National Assessment and Accreditation Council (NAAC), Bangalore for the first time with B Grade in 2004. The college was visited by the NAAC Peer Team in Sept 2016 and re-accredited for the second time with B-Grade. I congratulate all the stake-holders of the college for the achievements. I hope the college will continue its efforts towards quality education.

I, therefore, would like to advise the students opting to admit themselves in this important session of the college to be truly serious in their studies attending classes regularly and paying due heed to the teachers' timely counsels. This would help them think clearly and set rightly. With love to freshers and sincere regards to parents and guardians.

Mr. A. K. Azad Laskar
President, Governing Body
M. C. Das College, Sonai

Principal's Foreword

Madhab Chandra Das College ated he a remote part of Cachar district came the year 1972 with a view to providing easy accessibility to the learners of the greater Sonai area to get higher education after crossing the bar of H.S.L.C. examination and the college can be boast of conducting this mission successfully since its very inception fill date. In the very initial stage the college confined its objective to providing education in the Arts stream only. Presently, after crossing countless constraints our college proudly accommodates three streams of Arts, Science and Commerce.

It is immensely delighting on my part to mention here that the college is going to conduct two national seminars granted by the UGC-NERO during the forthcoming session; one by the Deptt. of Bengali and the other by the Deptt. of Persian. The conduction of two national seminar in a session will obviously be added feathers to the academic achievement of the college. The college was assessed by National Assessment and Accreditation Council (NAAC), Bangalore for the first time with B Grade in 2004. Since then the Internal Quality Assurance Cell (IQAC) of the college has been entrusted to work and implement the recommendations by NAAC peer team during its 1st Cycle of Accreditation under constant vigilance of the management and authority. As a result, the college has been able to develop its infrastructure in terms of building, equipments, library, etc. The college was again assessed by the NAAC Peer Team during 27-29th Sept 2016 for 2nd cycle under the chairmanship of Prof. Bhoomitra Dev and accredited the college with CGPA of 2.01 on seven point scale at B-Grade. I, therefore, am naturally inclined to extend the hands of warm welcome to the learners seeking admission here in our college in this important academic session of 2019-2020. I am sure, they would be able to enlighten themselves through attending classes and heeding the useful counsels and advises from the enlightened and constructively experienced team of teachers.

To conclude, I feel lavishly lenient to reserve my hearty wishes for you so that your journey towards a glorious future might be a favourable one.

Dr. Baharul Islam Laskar
Principal, M.C. Das College, Sonai

About the College

Rural Sonai area encompasses huge area covering Bhuban Hill to Sonabarighat and Binnakandi to Palonghat. But this bigger region did not have any institution of higher education and so the local students had to opt for the colleges of Silchar town. Most of the guardians with smaller income could not afford to send their wards to Silchar, and the wards of the few affordable guardians had most often to come back disappointed getting no scope to get admitted to the college of choice. It appeared as a grave problem for the whole area which drew the attention of some noble minds and so they came forward to effect a permanent solution. On one sunny morning in the early seventies of the previous century those altruistic group of persons got together amidst mass participation and after elaborate discussion and exchange of views the historic resolution to set up a college was unanimously adopted. The long cherished dream of the people, thus, came to be translated into reality.

To give practical shape to the adopted resolution, the leading stalwarts invested their all-out efforts that ultimately resulted in getting the foundation stone of the proposed college building laid on the memorable 28 day of August 1972 by the proverbial teaching giant and strict administrator (now no more) Sri Haripada Bhattacharjee - the then Principal of G. C. College, Silchar. It would be wise to respectfully remember those high-souled sons of the soil but for whose sincere service the dream of a college would have remained far beyond the encircled limit of reality. We should now pay homage to them by mentioning their honoured names here:

1. Late Gulejar Ali Mazumder
2. Late Dr. Ilias Ali Laskar
3. Late Dr. Sushen Chandra Nath
4. Late Hamid Ali Choudhury, (Head Master, N.G. H.S. School, Sonai)
5. Late Siraj Uddin Mazumder, (Head Master, Town High School, Silchar)
6. Late Akadas Ali Mazumder
7. Late Subhankar Singha, (Ex-M.L.A., Lakhipur, Cachar)
8. Late Gopika Raman Roy
9. Late Nalini Mohan Das

10. Sri Rukhini Nath

11. Alhaj Tajamul Ali Mazumder, Founder Principal (Retd.)

12. Sri Th. Madhai Babu Singha, Retired Vice- Principal 01 2019 08/27

The College was at first christened as "Sonai College" but it had to be rechristened as Madhab Chandra Das College after the lavish-handed donor of the same name donated Rs. 15,000/- in cash-a considerably bigger sum for that time in addition to the plot of land on which the East Block of the college building stands. The plot of land on which the West Block stands was of course, donated by Late Kala Mia Mazumder and others.

The college began its journey with only a few students in both H.S. and degree level at the N.G.H.S. School building in the morning shift. The classes were permanently shifted in 1975 to the present site with Alhaj Tajamul Ali Mazumder as the Principal who did immensely to manage the affairs of the College through all odd situations with his habitual boldness and administrative dexterity.

The college first got affiliated to the Gauhati University in 1980-81 and the government of Assam was pleased to bring it under Deficit System of Grants- in-Aid in 1985. However, when the Assam University came into existence, the college came under its affiliation in 1994. Subsequently U.G.C.'s 2(F) and 12(B) status was granted to the college in 1997 and with this the college became officially competent to enjoy monetary grants from U.G.C. On its way to gradual advancement the college now can boast of having all the three streams of study in its fold, though its sojourn began with only Arts stream. The year 2004 turned out to be a significant milestone in the college history. In that year the Peer Team of the National Assessment and Accreditation Council (NAAC) under the chairmanship of Dr. Basudeb Chatterjee visited the college and accredited it with B-grade status. After a long gap of almost 12 years, the college again assessed by the NAAC peer team during 27 to 29th September 2016 under the chairmanship of Prof. Bhoomitra Dev and accredited the college with CGPA of 2.01 on seven point scale at B Grade
